Salt Creek Golf Club

May, 2009

From the Desk of Anthony Perry, General Manager.....

On Thursday, May 7th, we will be hosting the “NEDSRA 100 Hole Challenge Golf Marathon”. The Golf Course will be closed from 6:00 a.m. to 3:00 p.m. The Restaurant & Bar will be open during these hours to service our breakfast & lunch patrons.

I would like to thank all of our dedicated customers who enjoyed our Lenten Fish Fry and for their continued support. During the 2009 Fish Fry, we broke many records, the first being customers served each night which averaged 228 guests per Friday night. During the Fish Fry, the staff expressed their enjoyment servicing our customers and look forward to seeing you at our Cook-Outs which begins on Friday, June 12th. Our staff is in the process of preparing a new BBQ menu with all of your mouth watering favorites.

One of our best events will be returning this summer on June 20th. Vito Zatto will be back with his quick wit, spontaneous and high energy entertainment along with a great BBQ dinner served on our beautiful patio (weather permitting). Tickets for this fantastic event are on sale now for \$40 per person and must be purchased in advanced at Salt Creek Golf Club or by calling 630-773-0184 ext. 10, don't miss out on this event – it will sell out quickly.

Now that the snow has finally melted and the Spring rains have arrived; we are all able to enjoy the completion of the course renovation of the finishing holes. For many of you when you put the golf clubs away for the Winter, the golf course area was unchanged, but when you dusted them off for the first Spring round of golf you were surprised to see the transformation. What a great job by the staff and a great addition for our valued customers. Our staff will continue to improve the amenities we offer, for a great price to our valuable customers.

From the Desk of Gary Hearn, Greens Superintendent.....

Hopefully everyone is enjoying both new finishing holes. Your patience with the new greens is appreciated. The cutting height of the 2 new greens will remain a bit higher and will eventually match the other 16 greens due to excessive ground moisture and cool temperatures. These greens will be top dressed with sand to fill in low spots and give a smoother putting surface on a regular bases. The rain has allowed the sod to take shape and by the middle of May we should be able to take down some of the rope. The #9 White hole will remain cart path only all year long to curb cart traffic. The cart path will receive a "face-lift" this Spring.
