FootGolf is an exciting new sport that combines the skills of the sport of soccer with those of the game of golf. Instead of a golf ball, a regulation sized soccer ball is used; and the soccer ball is advanced to the target by kicking it rather than striking it with a golf club. The 21 inch FootGolf cups are installed on the golf course. Book your FootGolf outing today! It is a great way to celebrate birthdays, soccer team get togethers, family parties, and charity events. Starting at \$14/person or a minimum of \$250.
